Dear Jeff:

Thank you so much for your interest in our club. Talking with you was very pleasant and your courtesy was appreciated.

After our discussion regarding the VNWC's contributions over the years, I prepared the enclosed report. I trust you will find it of interest.

Hopefully, your coverage of our club's history and present condition will open some avenues of assistance for us. If anything does occur due to your story, I will certainly let you know.

Thanks again.

Sincerely,

*Neva Hines*
